

2ND ANNUAL FESTIVAL OF TREES

We are looking for local businesses/families/organizations to participate in our 2nd annual festival of trees. December 4th 10am to 8pm, December 5th 10 am to 8pm, and December 6th 10 am to 5pm.

What is the purpose of a festival of trees? The purpose of a festival of trees is to raise money for an organization. This year the money will be going to the **Limington Parks and Rec department**.

How could you help us? We need every business, family, or organization to bring an artificial tree, gift basket, or tabletop tree.

You provide lights, decorations and unwrapped gifts around the tree.

If you are doing gift certificates, gift cards, or cash please photocopy and use the photocopy in your display. give us the real items. We will lock them up with the name on them of what tree it goes with. We would not want them to get lost or stolen.

You come in and set the tree up and give it a name. We will have 2 times available the week before. **Wednesday the 2nd and Thursday the 3rd from 3pm to 8pm**

You give us a list of everything under and / or on the tree so we can display it with the tree. Some people love to do theme trees. Some examples are Legos, camping, pets, kitchen, hot wheels, barbie, games, crafting, and more.

We will hand out a flyer at the door with the number, and names of the tree and who sponsored that tree.

How does the fundraising part of this work? At each tree there is a bucket to drop your ticket into. We will sell these tickets for 3 days. At the end of day 3 we draw a winning ticket. We call the winner, and they keep everything the tree, the décor, and everything under and on the tree. They will have 48 hours to pick up their items.

Attached is the promissory note of your participation, and some examples of what others have done.

Thank you so much for your support in this fun and exciting fundraiser to help our community.

We will need 100% commitment by November 1st. So, we know how many spaces we have taken up. We only have 8 small tree spaces, and 8 gift basket spaces, and 30 big tree spaces.

We will commit to the 2026 2ND annual festival of trees. I understand the guidelines listed on this paper and the attached paper.
